

Summer Program of Activities December 2019 – February 2020

The Friends of Scott Creek Conservation Park welcome visitors to any of our activities, but it is best to contact us beforehand to confirm details. For enquiries or information see contact details at the end of this program or on our website www.friendsofscottcreekcp.org.au.

NOTE: Activities in the park and social events in the Adelaide Hills will be cancelled if a fire ban or severe weather warning/thunderstorms are announced for the Mount Lofty Ranges. Bird banding will also be cancelled in conditions that may adversely affect the birds. See links to BOM & CFS websites next page.

Working bees: during summer meet at the earlier time of 8.30am, Almanda Mine Car Park, Dorset Vale Rd

This enables everyone to sign in and be brought up-to-date with last minute changes. BYO morning tea and a small back pack to carry it, in case we are working further from the cars.

There are also some regular mid-week bush gardening activities at Almanda Creek and bird banding in a couple of special project sites in the park, contact our Administration Assistant for details.
