

Summer Program of Activities December 2021 – February 2022

The Friends of Scott Creek Conservation Park welcome visitors to any of our activities, but it is best to contact us beforehand to confirm details. This is particularly important with regard to COVID-19 restrictions, which makes it essential that anyone considering a visit to an activity contact us beforehand to ensure this will still be possible at the time. Thank you.

For enquiries or information see contact details at the end of this program or on our website www.friendsofscottcreekcp.org.au.

NOTE: Activities in the park and social events in the Adelaide Hills will be cancelled if a fire ban or severe weather warning/thunderstorms are announced for the Mount Lofty Ranges. Bird banding will also be cancelled in conditions that may adversely affect the birds. See links to BOM & CFS websites below.

Bushcare activities: during summer meet at the earlier time of 8.30am, Almanda Mine Car Park, Dorset Vale Rd

This enables everyone to sign in and be brought up-to-date with last minute changes. BYO morning tea and a small back pack to carry it, in case we are working further from the cars.

Contact our Admin. Assistant for details about regular mid-week bush gardening activities at Almanda Creek.
