

Spring Program of Activities September – November 2020

The Friends of Scott Creek Conservation Park welcome visitors to any of our activities, but it is best to contact us beforehand to confirm details. This is particularly important with regard to COVID-19 restrictions, which makes it essential that anyone considering a visit to an activity contact us beforehand to ensure this will still be possible at the time. Thank you.

For enquiries or information see contact details at the end of this program or on our website www.friendsofscottcreekcp.org.au.

NOTE: Activities in the park and social events in the Adelaide Hills will be cancelled if a fire ban or severe weather warning/thunderstorms are announced for the Mount Lofty Ranges. Bird banding will also be cancelled in conditions that may adversely affect the birds. See links to BOM & CFS websites below.

Bushcare activities: meet at 9.00am, Almada Mine Car Park, Dorset Vale Rd

This enables everyone to sign in and be brought up-to-date with last minute changes. BYO morning tea and a small back pack to carry it, in case we are working further from the cars.

There are also some regular mid-week bush gardening activities at Almada Creek, contact our Administration Assistant for details.

Month, Day, Date		Activity	Location
